Engineering Bursaries

Would you like to be a part of the biggest engineering, procurement and construction management (EPCM) company in Africa?

WorleyParsons offers bursaries in the following engineering disciplines:

**MECHANICAL | ELECTRICAL | CIVIL | CHEMICAL | PROCESS |
MINING ENGINEERING**

Don't miss out on this exciting opportunity!
Apply now if you meet the following criteria:

- You have to be admitted for a Bachelor of Engineering qualification offered at an accredited tertiary institution in South Africa
- You must be a South African Citizen with a South Africa identification book
- You must have successfully completed your 1st year at University with an average of at least 60% and no failed subjects.

Currently we are growing in the Africa market and have various interesting projects. WorleyParsons supports the country's growth strategy and therefore we invest in our youth, to support them to develop the right skills and knowledge to contribute positively to the economy of Africa.

157 offices | 46 countries | 35,600 people

"A golden opportunity to create a bright future and professional career."

Nabeel Tootla,
Civil, Historical WPRSA Bursar
